

Johnstown's
GALLERY ON GAZEBO
Center for the Arts

November 2024

You Can Transform Lives through Art.

Dear Friends of the Gallery on Gazebo,

Imagine our good fortune to be part of the dynamic energy that is growing in the center of Downtown! In truth, at the *Gallery*, we consider it a challenge - to continue collaborating with our neighbors to offer the most in events and experiences. As we embark on our annual Membership Drive, we are reaching out to ask for your continued support. Your contributions play a vital role in sustaining the Gallery's ability to highlight remarkable exhibitions, support local artists, and provide a welcoming space for education, conversation, and artistic inspiration.

Below are several activities we hosted this year:

Black History month:

- The Ashley Jones show with conversations and programming that pulled back the curtain and confronted the viewer with the history and practice of colorism.

Dual Exhibitions:

- Jumpstarting the conversation between conventional and contemporary artists, educators, and patrons. A stimulated audience is hungry for more.

Unique Events:

- Initiating a collaboration with the JSO that marries visual art with music, enhancing exhibits and programs with performing artists – in the Gallery, in the lovely Piazza, on the street or in Central Park. Highlighting regional artists is a privilege the *Gallery* takes seriously.

Plein Air Artists:

- An invitation for visual artists to meet and nurture their relationship with nature and colleagues on Saturdays in Central Park, and then show.

Artists on every level:

- The opportunity to show, promote and sell your work in a *Gallery* setting.

Experiences in the Arts:

- From Culture Crawls, Taste & Tour and community events, everyone visiting the Gallery becomes a participant and an artist in creating a piece of art that unites and defines us in interesting ways.

Gallery on Gazebo is asking for your continued support by contributing to our Membership Drive. By becoming a member, you join us in enriching the lives of Every One in our community.

Thank you for being an integral part of our creative community. With your help, we can continue to bring the joy of art to life.

With sincere gratitude,

Mary Anne Rizzo
